

# CÂN WERIN DDOLEN

('Looping Folk Song')

March 2021

**mewn gorchydd o halen  
crio golchi'r glaw**

in blanketing salt  
cry the wash of rain

**signo, plygiadau'r pydru  
a thrafod gwrthod y ceidwad**

suckle, the foldings of decay  
and discuss the renouncing keeper

**tyrd am fedd y ddaear  
taenu, i gusanu'r llwch**

come to the earthen grave  
scatter, to kiss the dust

**codais i dy gromliniau  
i gadw llaw â chadw cynnes**

arisen to your curves  
to keep hand and keep warm

**(ailadrodd)**

(repeat)
